Exhaust Gaskets

Remflex gaskets work because they solve the two main problems associated with sealing an exhaust flange: warping, and gasket failure.

- Seals Warped Flanges
- Won't Burn Out
- No Re-Torquing Necessary

Centerforce® Dual Friction

Performance matched clutch pressure plate and disc sets feature patented centrifugal weight system and specialized machining process that delivers a performance clutch with exceptional holding capacity and durability.

Even though the Dual-Friction clutch is engineered for street use it can also be used in mild competition applications.

DF021048 Mustang 1986-'93 \$359.95
DF271675 GM cars 1957-'86 \$319.95
Check Parts Pro store for all specific applications.

Street Bandit 2 Torque Converters

NOW AVAILABLE!

Stalls 3200-3600 RPM, perfect for street/strip applications. Features industrial grade bearings and welded fin construction.

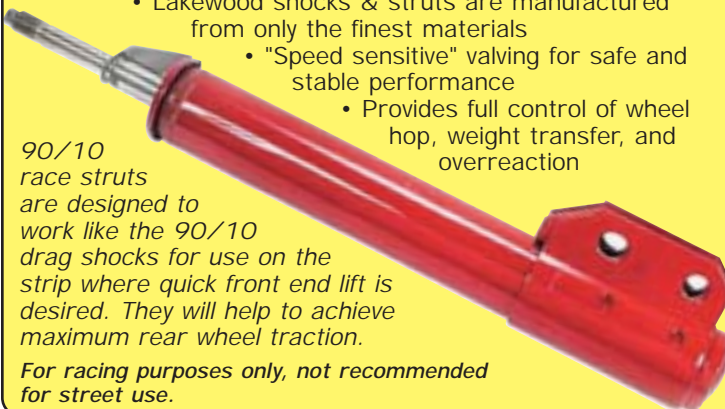

Racing Shocks New Technology - Even Better Performance!

- Lakewood shocks & struts are manufactured from only the finest materials
- "Speed sensitive" valving for safe and stable performance
- Provides full control of wheel hop, weight transfer, and overreaction

90/10 race struts are designed to work like the 90/10 drag shocks for use on the strip where quick front end lift is desired. They will help to achieve maximum rear wheel traction.

For racing purposes only, not recommended for street use.

Pro Stick (without cover)

Customize your Pro Stick application with your own cover, or with one of our Pro Stick accessories for a custom install, or if you want to shave that last ounce of weight from your racecar. Comes with 5' Super Duty race cable

80701 Pro Stick w/o cover \$179.99
Fits: GM TH-400, 350, 250, 200, 700R4, 200-4R Ford C4, C6 & AOD Chrysler '66 & later Torqueflite A727 & A904

Launch Control w/Install Kit

- Controls the front or rear brakes
- Works with 12 and 16 volt systems
- Use it as a brake locking device for drag racing or as a hill holding device for street use

46076 \$69.99

Drive Shaft Safety Loop (Universal)

Four piece design made from 1/4" x 2" mild steel. Zinc plated for durability. Complete with all the necessary hardware.

18000 Fully adjustable to fit most vehicles \$45.99
